

T/CCI Ningbo Received Caterpillar Supplier Quality Excellence Process Certification

As reported on [pr.com](#):

Decatur, IL, May 17, 2015 --([PR.com](#))-- T/CCI Customer Connection, the manufacturer's monthly newsletter reported in the April issue, that T/CCI Ningbo received the Caterpillar Inc. Supplier Quality Excellence Process (SQEP) Certification. The Caterpillar SQEP program is designed to recognize and place special emphasis on suppliers who achieve performance excellence. To become certified, a supplier must prove that they can enhance the quality of Caterpillar products and services by achieving the highest scores in Caterpillar's key core values: Quality, Velocity and Cost, along with process control and Six Sigma methodologies. Jeff Pan, Category Manager for Cabs and E&E, congratulated T/CCI Ningbo on the accomplishment and called the award "the beginning of a journey of honor" which opens doors to broader opportunities throughout Caterpillar's global locations. T/CCI is honored to achieve such a distinction from a world-class customer.
